Active 2024 post membership stands at 297 with 9 that are currently in process... which should have our Post membership surpassing 300 for the 2024 membership year.

The American Legion put together a program that allows members to pay their dues three years at a time. There is a link on the home page of [www.legion.org](http://www.legion.org) that will take you to the site for you to be able to register for this option; however, it appears that they will only allow you to register.

Please urge any veteran you know to join the Post (if not already a member of a different post). Please contact Bob Oehlers (419-304-4329 or [westpoint1989@yahoo.com](mailto:westpoint1989@yahoo.com)) if you have an interested veteran and we will get them registered.

## **Americanism**

**Buckeye Boys State 2024**

I am pleased to announce that our Post will sponsor our very own Tom (and Ann) Guyton's son, Oliver

to attend BBS. Oliver is a junior attending Saint Francis.

In total, the BBS nominees are from Saint John's Jesuit (3), Saint Francis (3), Whitmer High School (1), Woodward High School (2)

Please contact Bob Oehlers at 419-304-4329 if you know of any high school male junior who would benefit by attending.

## **Americanism test awards banquet**

This year's Americanism test awards banquet dinner was held on Monday, April 22nd. Each male and female award winner from the 10th thru 12th grade received a \$50 check as well as a certificate from the Post. The dinner, catered by the Olive Garden, was delicious.

Forty-eight people attended the Anniversary Dinner March 16th. Congratulations to those recognized for milestone years of membership, especially Betty Soldner with 55 years of membership and our President, Kristen Lyell with 25 years!

Membership for 2024 is winding down so if you haven't paid your dues for 2024 you are late but not too late to pay and keep current.

Well, hello there Post #587 family!!! This past year as 2nd Vice Cdr sure flew by & I didn't even get everything done that I wanted to. It's hard balancing my travel adventure with my fun events at the post but I feel I have learned quite a bit along the way. I'm looking forward to further enhancing my knowledge at the post as the 1st Vice Cdr. I will miss Bruce & Bob but know, I'll see them at the Post! I am truly looking forward to working with Christine Fleischman as the new 2nd Vice Cdr & John Heath as the CDR. We are still looking for any ideas or inputs as to what you would like to see concerning events, outings & gatherings. Definitely raring to get this next year off to an amazing start. We'd love to see you at the Post if you haven't been by in a while. Don't forget to take advantage of the membership discount for the next 3 years & with PUFL if those interest you. Here's to another productive year!!!

**Poppy Chairman***By Ann Fritz*

The month of May brings us to the Poppy program which is recognized on the Friday before Memorial Day, May 24th. You will be receiving your poppy letters the end of April seeking donations. All donations collected are used exclusively for our veterans and their families in the state of Ohio.

Last year, it was reported that over 56,376 poppies were distributed throughout Ohio, collecting almost \$142,736 in donations. Funds were used to support the National Creative Arts Festival, VA facilities and food pantries, veteran nursing homes and family support. In addition to Honor Flights, Valor Homes and service dogs. Just examples of where the donations are distributed.

Please make checks payable to Conn-Weissenberger American Legion Auxiliary 587. Thanks so much.

Our electronic bingo license was approved and is posted as required by the state of Ohio. Play is fun for all so come on down and join in. You may be the next big winner.

In February of 2019 past commander Jim Lyell suggested we have a pancake breakfast on Sunday run by a different past commander each week. This went on for a while until Tom Cowell said he would like to participate as well. Since then, Tom has been providing us with an excellent breakfast at a bargain price. Daughter Sarah is the smiling face at the door ready to take your order. She also helps in the preparation of the meal when the crowd warrants help. His breakfast consists of pancakes, eggs, sausage, sausage biscuits and gravy, toast and jelly, juices, and of course coffee. Each month his breakfast adds \$400.00 plus to the general fund. When you see him thank him for his dedication to the post and the American Legion. Friday dinners are changing so keep an eye on the post website and your email as you never know what will be prepared next. Auxiliary members contribute time preparing and serving the food. They have a bake sale every third Friday of the month. All members that give their time to prepare these meals are appreciated.

Thanks for your membership to the Conn Weissenberger Post. Spread the word about our activities. Hope to see you soon at our next function.

The deadline for scholarship applications has passed and we have five to review. The committee will be selecting the winners in the next couple of weeks. We will notify the school and the students will be awarded at the school assembly.

Regards,  
Russ Bohland

With the changing of the seasons yard work is here. Call any post officer if you would like to help keep our post looking good inside or out. You can help by trimming while the grass is being cut or picking up trash left by cars passing by. Always something to do!
